April's Management Discussion & Analysis (MD&A)

2019-20 Budget Highlights:

- The Children's Trust continues to emphasize the importance of program spending that provides critical services for children and families in our community.
- The Children's Trust increased its direct service funding by \$29.8 million since its last funding cycle ending in fiscal year 2018. In alignment with the strategic plan and the Board's guidance the funds will be allocated as follows:
 - Early Childhood Development \$29.6m
 - Youth Development \$59.8m
 - Parenting \$17.8m
 - Health & Wellness \$20.8m
 - Family & Neighborhood Supports \$11.6m
- The Miami-Dade Property Appraiser reported an assessed tax roll of \$310.9 billion, which equates to approximately:
 - Based on 0.4680 millage rate (tax increase), ad valorem tax revenue = \$138.2m, this represents a 12.73% tax increase.
- Miscellaneous revenues are expected to decrease during the fiscal year 2020. Trust manages its funds to primarily emphasize safety, liquidity, and return (in that order). During the fiscal year 2019, interest rates for 30, 60, 90-day and 1-year Certificates of Deposit were higher than recent fiscal years. Near the end of the fiscal year 2019 The Trust observed that interest rates were steadily decreasing heading into the fiscal year 2020. The Trust is also reducing its fund balances reserves, therefore less funds will be available to earn interest revenue.

Management and Non-Operating Expenditures

- The Children's Trust has reduced the management (G&A) expenses to 6.29% of its total expenses, an all-time low.
- The Trust can expect an increase to non-operating expenditures. The Trust budgets funds for obligations to the remaining Community Redevelopment Areas (CRAs) for the fiscal year 2020, which include Overtown and Omni areas of the City of Miami. The Trust commits these funds on an annual basis. The amount obligated to these areas depends upon the amount of ad valorem tax revenue generated by these communities and supporting the respective portion of the Children's Trust operating revenue. Because the Trust adopted the millage rate of 0.4680, a tax increase, The Trust will have an increased obligation to these areas.

Additional Considerations:

Property Tax Revenues

With property tax bills mailed on or before November 1 of each year, and discounts ranging from 1-4% the sooner payment is received, The Trust records a significant amount of revenue during the months of November, December, January and February. Below is a cumulative collection rate compared to the budget.

Month	FY 2020	FY 2019
October	0.0%	0.0%
November	7.2%	26.9%
December	76.3%	79.3%
January	83.7%	83.2%
February	87.1%	86.6%
March	89.1%	88.9%
April	92.2%	93.3%

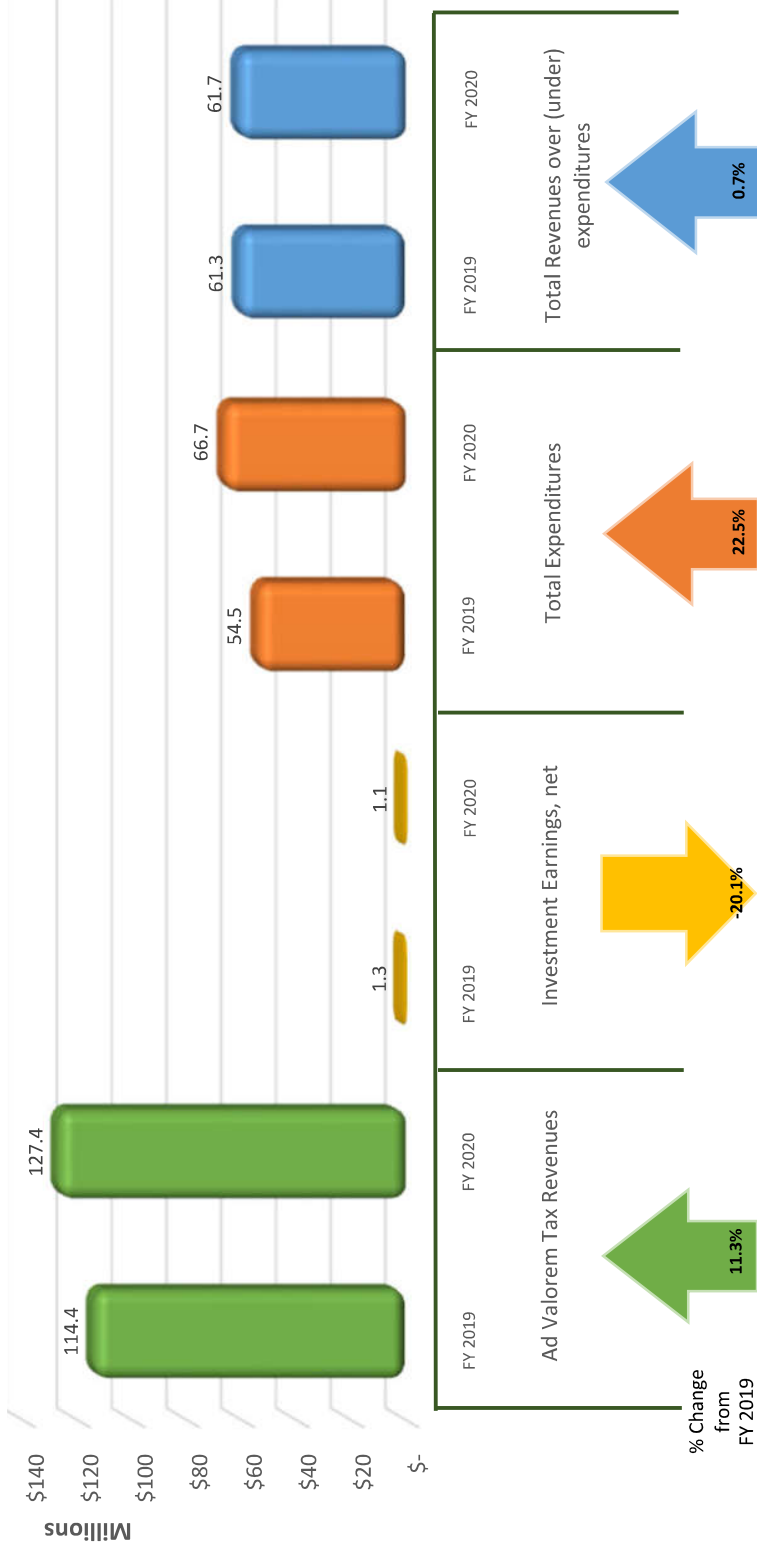

Fund Balance / Drawdown Strategy

In response to the growing fund balance, The Trust:

- Adopted a tax increase rate of 0.4680 for the fiscal year 2020, which would increase revenues from the fiscal year 2019. The increased revenue will slow the utilization rate of existing fund balance reserves.
- Spend additional funds during fiscal year 2020 in program services, which included the funding for the current and expanded 5-year solicitation, as well as some contract adjustments and new awards, (Fiscal years 2019-2023) cycle by approximately \$29,800,000 annually.
- The Trust continues to devise a strategy to significantly draw down its existing fund balance during the next solicitation cycle, without compromising its ability to fund programs to a similar capacity in future funding cycles.
